For each of the Narrative Features that you have chosen:

- 1. Find at least two examples from *Number the Stars* where the author has used this feature and copy down the passages. Make sure you include the page numbers.
- 2. Explain how and why the author has used this feature. Use the examples you listed as evidence and explain why this feature was used at these particular points in the novel.
- 3. Explain the effect that this narrative feature has on the reader and how it can help them understand or relate to the text. Use the examples you listed as evidence.

Write at least 150 words about each narrative feature in answer to the three questions above. Use the notes and power points that we went through in class about the Features of a Narrative to help explain their purpose and the effect on the reader.
