

# VISUAL NARRATIVES ASSIGNMENT 1: ANALYSIS

## Year 10 English

Due: End of Week 6 • Total wordcount: 900

**Learning Intention:** To understand some of the features of visual texts and how authors use these techniques to create powerful narratives that impact audiences.

## PART ONE: CINEMATOGRAPHY

Watch the scene from *Pirates of the Caribbean* (on haiku) and watch it closely, taking notes on the sheet provided. Use your notes to answer the question below. Answer should be at least 300 words. Submit your notes as well as your answer.

1. Describe the **cinematography** in this scene and explain what effects it creates for the viewer. Use at least 3 different techniques as examples.

**Cinematography techniques:** shots (e.g. long shot, close-up, medium shot), angles (e.g. high, low, canted), focus (e.g. deep, shallow, rack/pull), movements (e.g. dolly, tracking)

## PART TWO: EDITING AND MISE-EN-SCENE

Watch the film *The Chronicles of Narnia: The Lion, the Witch and the Wardrobe* and take notes on the sheet provided. Use your notes to answer the following questions. Each answer should be at least 300 words each. Submit your notes as well as your answers.

1. Describe how mise-en-scene and/or editing are used in this film to create **mood**. Use at least 3 different techniques as examples.
2. Describe how mise-en-scene and/or editing are used to **create relationships and/or character**. Use at least 3 different techniques as examples.

**Editing & Mise-En-Scene Techniques:** sequencing, transitions, pace, lighting, set, costumes/props, diegetic sound, non-diegetic sound, proxemics.

You can try and find examples of 3 different techniques in one scene, but it may be easier to find clear examples in several different scenes.
